Good Morning Mr. Henderson,

Thank you for your inquiry regarding the Butterfield Redevelopment EAAF. I understand in a subsequent conversation with our Village Clerk, Mary Saari, technical issues regarding the Village's website have been addressed. The Planning Board did receive your letter, along with the technical data you submitted, (attached). The Board's technical consultant, Chuck Voss then was directed to draft a reply after reviewing the correspondence at our last meeting, (also attached).

All correspondence, documents, minutes and technical materials generated over the last 5 months, during the Planning Board's SEQRA review of the Butterfield EAAF may be found on the Planning Board's webpage at: http://coldspringny.gov/Pages/ColdSpringNY_Planning/index

I would encourage you to attend one of our meetings, as your schedule permits. The next meeting of the Village Planning Board will take place on Wednesday, February 5, 2014.

Thank you again for your correspondence.

Sincerely,
B.M. Molloy
