

LEGAL NOTICE
Winter Parking and Sidewalk Notice Village of Cold Spring

Beginning November 15, 2018 and continuing through April 15, 2019, seasonal parking restrictions will take effect pursuant to Sections 126-15 and 126-36 of the Village Code. These restrictions prohibit all overnight parking between the hours of 12:01 a.m. and 6:00 a.m. The Village Board has agreed to a “call in program”, as an optional method of seasonal parking control. Therefore, each day from 5:00 p.m. on, a telephone message will be available at **(845) 747-SNOW (845-747-7669) Cold Spring Police Department Winter Parking Line** to notify the caller whether the seasonal off-street parking will be enforced for that evening. The general ban on parking will remain in effect. However, the call in method is intended to limit the need for off-street parking to snow emergencies. It is important that a telephone call is made during and after snowstorms because snow emergencies are not limited to the day of the storm and can extend to the following day or days. The decision of the Village Board is intended to assist all village residents who find off street parking a problem, but everyone must understand the consequences of receiving a parking ticket if the rules set forth are not adhered to.

Should you have any questions about whether to park overnight during the winter season, you are strongly advised to follow the general rule and remove your car from the street. Towing of vehicles may be required during snow emergencies at the owner’s expense. Areas provided for seasonal off street parking are: Kemble Avenue south of The Boulevard, south side of The Boulevard, south side of New Street adjacent to the boat club entrance and the west side of Fair Street at Mayor’s Park. The municipal parking lot on Fair Street is available for winter parking between the hours of 9pm and 8am. Signs will mark designated areas.

Pursuant to Village Code Section 108-21, the owner and/or occupant of each and every building and lot in the Village shall at all times keep at least a three foot width of sidewalk in front of their respective houses, buildings and lots free of snow and ice. When ice on said walk cannot be removed, it shall be covered with sand and other materials not detrimental to the concrete such as calcium chloride, in such a manner as will enable persons to walk thereon with safety. Rock salt or salt based materials are strongly discouraged. Sidewalks in front of commercial establishments and commercial parking lots shall be kept free of snow and ice at all times between the hours of 10 a.m. and 5:00 p.m. All other village sidewalks must be cleared within 18 hours after the end of a storm. Summonses will be issued to violators.

Dated: October 24, 2018
Jeff Vidakovich, Village Clerk
