### Financial Highlights February 9, 2021

- 1099s & W2s have been mailed/handed out
- ACA forms are due on March 31<sup>st</sup> – but will be going out sooner
- Urban Forestry Grant – all expenses were approved by the DEC – waiting for the payment to be received for full grant amount (\$49,162.10)
- Latest NYSEDA Grant submission was approved & received (\$9,777.68)
- Only five properties haven't paid their Village Taxes – list is on agenda to send to Putnam County for payment
- Health Insurance Letters were mailed to retirees for new 2021 contribution rates
- I have conference call with FEMA & NYS on Wednesday regarding Tropical Storm Isaias to go over potential eligible expenses for reimbursement (approx. total \$8400 so far with a 75% reimbursement rate)
- Budget worksheets to departments 2/8/21

## MONTHLY REPORT

February 9, 2021

The Planning has the following matters before us at this time:

### Old Business:

#### 41 Chestnut St – Wells Fargo

A change to the lighting plan to address NYCRR 301.1-301.8 statute to provide minimum light levels out to a 60' radius of all Automated Teller Machines. Install a light post and replace wall and canopy light fixtures on building exterior, add new wall fixtures. Property is located in the historic district. As per Ch. 64 of the Village Code, a Certificate of Appropriateness (COA) from the Historic District Review Board (HDRB) is required. Site Plan approval required from the Planning Board as per 134-10(F)(4).

### New Business:

None.

Respectfully,  
Matt Francisco  
Chair, Village of Cold Spring Planning Board

ZBA Monthly Report: January 2021  
February 5, 2021

To: Mayor and Board of Trustees  
From: Eric Wirth, Chair of the ZBA

### **Meeting of Jan. 7**

**33 Market Street:** This application proposed installing a six-foot fence in a side yard in the B-1 district. The applicant argued that the zoning code did not regulate fences in B-1 and that the Code Enforcement Officer therefore should not have referred the project to the ZBA for a variance.

The board closed the public hearing and took up the applicant's request for an interpretation. The board concluded that the referral was correct. The code section on B-1 (§134-9) contains a cross-reference that incorporates "applicable requirements" of §134-17, the section that limits fence height in yards. Since fences are common in the B-1 district and since regulating them there serves a public purpose just as it does elsewhere, the board saw no reason why the fence-height restriction in §134-17 would not be "applicable" to B-1.

Having confirmed the CEO's referral, the board next considered the applicant's request for a variance permitting the six-foot fence. The board granted the variance because the site's distinctive features justified the extra height and mitigated any harm from it. The approval carried two conditions: the fence should always have the gray or earth-tone color shown in the application, and if the fence was ever rebuilt, it should retain essentially the same design.

### **Meeting of Jan. 21**

**33 Market Street:** The board reviewed drafts of two resolutions expressing the decisions made at the last meeting and formally approved the resulting versions.

**212 Main Street:** This application proposed building an additional floor on top of a nonconforming, freestanding garage. The board held a workshop with the applicant and scheduled a public hearing for the next meeting, on Feb. 4.

Jan 12, 2021 Village of Cold Spring Report

Happy New Year to everyone

1. Townhall renovations have picked up on the work, new siding is being installed and new water line was installed. We approved a few change orders. We are unsure as to the time frame that we will be open, but schedule is Looking at early next year to be completed and move back in mid-March early April 2021
  
2. Working on new contracts between both Garrison and Philipstown Ambulance Corp should be in place before the middle of this month.
  
2. Working with Putnam County on having a Covid-19 Vaccination Center here in Philipstown at the Rec Center where there is lot of room for social distance. Richard was meeting with them today. We had the first one the 2<sup>nd</sup> week of Jan and for those who are scheduled to get their 2<sup>nd</sup> shoot it is Jan 11<sup>th</sup>
3. We hired Cheryl Rocket-as the sec for the special boards and she started on 2/1
  
4. Garrison Golf Club had their first meeting with the planning board to begin the transfer over to Shakespeare Festival, we expect this to take 9 to 11 months. We plan on adding additional planning board meetings just to handle this project. We did a site visit on 1/24/2021 and another one is scheduled for 2/14/2021 9:30 Over 70 people came out for this. As you know this is a very larger project and it will have some impacts, such as traffic, water usage, additional 20 room hotel, 30 plus room for artist to stay in, widening the road that enters off of snake hill, parking, lighting. They have a very good team in place which I am confident will be able to provide all that is required to make this work. This is a phased project which will take place over several years.
  
5. We passed a resolution to publish and RFP for solar power to be installed on the Roof of the Rec Ctr. This has taken some time to get to this point but were hopeful that before the year is out we'll have this up and running.
  
6. We had a workshop with the comprehensive committee to review the draft. I encourage everyone to look at this at: <https://sites.google.com/view/philipstown2020>
  
7. Krystal Ford has taken on Roberto Mullers role as the Climate Smart Coordinator.
  
8. There will be blood Dr on Feb 18<sup>th</sup> at Our Lady of Loretto Church Hall from 1 to 7 PM please donate as the supply is dangerously low.
  
9. Planning, Zoning and Conservation Boards are all meeting via Zoom.
  
10. We're looking for anyone who would be interested in joining Cemetery Committee.

# Village of Cold Spring Historic District Review Board

85 Main Street Cold Spring, New York 10516 (845) 265-3611

## MONTHLY REPORT TO THE VILLAGE BOARD OF TRUSTEES FEBRUARY 2021

---

### CURRENT APPLICATIONS

In January we met four times. We approved a window repair and replacement plan at 4 Morris Avenue, and we approved the construction of a back balcony and the replacement of front porch steps at 212 Main Street. The ongoing Public Comment period for 29-31 Rock Street, open since 12/23, was closed, and after deliberation the application was denied. We met in a workshop session with the homeowners of 8 Stone Street about proposed changes to their front porch. We held an additional session for the purpose of reviewing and approving several sets of meeting minutes. We met once to continue work on the Design Standards, and have another session scheduled for 2/7.

For February, we have so far only received one new application, for solar panels at 26 Main Street, however, we were informed by the Planning Board Chair that their review of the updated lighting proposal for the Wells Fargo branch on Chestnut Street has concluded, so we expect to see that application soon. Further, there are quite a number of referrals out for various projects, including for the construction of the two remaining single-family houses at the Butterfield Development site.

### BOARD WORK/PROJECTS/NOTES

1. We were approached by the engineering consultants for the Rockledge Road cell tower project in Nelsonville. The project is required to complete a Section 106 application due to its proximity to the Cold Spring Cemetery Gatehouse and the Manitou School/former Plumbush Inn, both listed on the National Register, as well as the cemetery itself, which was declared Eligible for National Register. However since the proposed project and these resources are all located outside of the Historic District and outside of the village, we declined to comment further.
2. We are happy to report that a high school student, Hannah Benson, will be working with our Board during the spring semester as part of their community service requirements at Haldane, contributing new photography for our Design Standards. We would like to thank Trustee Foley for introducing Hannah to the HDRB.

Respectfully submitted,

Sean Conway

**Albert G. Zgolinski, Chair; Sean Conway, Vice Chair

**Subject:** CSFC Monthly Report

Cold Spring Fire Monthly report

9 Alarms for January

1 Odor of Smoke in a residence

2 Activated Fire Alarms

1 Brush Fire

3 EMS Assist

1 Injured Hiker on Breakneck Mtn. Call was turned over to NYS Parks Dept & NYS Park Police

1 Water Rescue on the Hudson River. (Dispatched for someone fell through the ice, upon investigation someone was walking on the ice along the shoreline)

The order for our new Engine has been placed.

There will be an order placed this upcoming week for a new Polaris Ranger to replace our current 2004 Polaris Ranger. The new Ranger will be a great upgrade and better equipped to assist us on calls. It will be equipped with a skid unit that will have water for brush fires and also it will have a rescue platform to transport patients on a backboard from the wooded areas.

Respectfully,

Tom Merrigan

Chief

Cold Spring Fire Company No.1

February 5, 2021

### February Cold Spring Chamber Report to the Village of Cold Spring

- The Chamber would like to thank Village Trustees Fran Murphy and Kathleen Foley for joining our January Breakfast Meeting, which was also attended by a variety of town, county and state officials. The meeting provided our members with a firsthand education on how the different levels of government operate and interact, and how the Chamber might be able to collaborate with them on issues of mutual interest.
- We would like to introduce our new Advocacy Chair, Jeff Mikkelson. Please feel free to reach out to Jeff with any requests or concerns at [jeff@mikkelson.com](mailto:jeff@mikkelson.com) or (646) 483-3397.
- The Chamber would also like to express its gratitude to the Village for a successful collaboration on opening and managing the Visitors' Center amenities in 2020. In our recent community survey, responsible tourist management came across as the top concern for both the small business community and local residents, and maintaining clean public restrooms continues to be a priority for the Chamber, as a quality of life concern, as a local business concern, and as a matter of public health and safety. We would like to meet with the Village at a convenient time in the near future to discuss reopening the Visitors' Center and public restrooms in 2021. To this end, it would be helpful if the Village can assign a primary contact among the Trustees, so we can begin that conversation.
- Our next Chamber Breakfast Meeting will be on February 23, 9:30 am. Trustees and members of the public are welcome and encouraged to join the meeting.

## Water Department Monthly Operations Report

<b>Date:</b>	February 9 <sup>th</sup> , 2021	<b>Reporting Month of:</b>	January 2021
<b>2020 Reservoir Status:</b>	95.83% Capacity	<b>Reservoir Status:</b>	94.48% Capacity
<b>2020 Flow to System:</b>	7.62MG / 263k/day	<b>Flow to System:</b>	6.81MG / 220k/day
<b>Monthly Rainfall:</b>	1.23"	<b>Percent Change:</b>	10.63% Decrease

- **Bacteria/Lab Tests:** All Routine Bacteriological monthly samples all were found in good standing.
- **Annual Water Withdrawal Report:** Completed and submitted to DEC on Wed. Jan. 20<sup>th</sup>.
- **Filtration Unit Rehabilitation:** Have reached out to a few outfits in regards to rehabbing of the Filtration Units, as was brought up last year, they are showing their age (20+ years) quotes to be provided as they are received.
- **Initial PFOS/PFOA Sampling:** New to the villages regular sampling plan for this year is the required PFOS/PFOA Quarterly Sampling, the first round of samples are to be collected before the end of Feb. 2021.
- **Catskill DEP Project:** Sparse communication with Anthony Vaccaro of DEP, since the Thursday 1/7 conversations. Things that need to be addressed in order to potentially move forward:
  1. Land Use Permit (as the current permit is outdated according to DEP)
  2. WSA village legal counsel input (from the December 2019 version)
  3. Provide update on the Foundry Brook project(s) expected as the Village's primary supply – *Unsure if there has been any discussed projects with the DEP (besides the aqueduct connection) prior to my starting with the village, possibly in regards to the Upper Dam(?), I have recently reached out to the P.C.D.o.H., Bulk Water Suppliers and beginning to reach out to surrounding local water districts in regards to securing Backup/ Emergency Sources of Water if needed, in order to move the DEP's Aqueduct Connection to possibly secondary or possibly a tertiary source, from being the primary and only source in case it is ever needed.*
  4. Will need Bart Clark to add more information/details to the proposed vault/meter pit design.

## Wastewater Department Monthly Operations Report

**Date:** February 9<sup>th</sup>, 2021      **Reporting Month of:** January 2021

**Total Inflow to Plant:** 6.991 Million Gals.      **Average Daily Flow:** 226 K gals

### Plant Performance:

**Biochemical Oxygen Demand:** 96.09% Removal

**Total Suspended Solids:** 95.29% Removal

**Liquid Sludge Hauled Offsite:** 24,000 Gallons

- **Doyle Security (Used to be CIA) Alarm System:** Was onsite on Friday Jan. 8<sup>th</sup> for annual testing of alarms at facility, all working accordingly.
- **Infiltration and Intrusion:** To begin getting quotes for the cleaning and inspection of the "E-2" portion of the collection system (required by SPDES Permit).
- **Wastewater Facility and Pump Station(s) Inspections:** Putnam Co. Department of Health has reached out and requested an Inspection of the facilities, tentatively scheduled for March 4<sup>th</sup>, 2021.
- **Potable Water Leak on WWTF Grounds:** Line was isolated and drained back as sprayers are not in use currently, to be repaired in warmer weather

Respectfully Submitted,

2.4.2021

**Garbage: 44.76 Tons**  
**Recycling: 20.50**

We had 3 snow events totaling 26", and one freezing rain event. We had 4 Christmas tree pick-ups, and removed the wreaths with the Counties assistance. We removed the benches from Main St., we replaced the pump in the Lower Main Estuary due to pump burning out with a new Gould grinding pump, Pidala Electric fixed the lights at the dock, and are waiting for replacement parts to finish fixing the other two.

The 2016 F-350's plow stopped working so we had the PHD help diagnose the problem/ we replaced the plow module, solenoid, handheld controller, and the batteries in the truck. This seemed to fix the problem, but it recently started doing it again this past storm. The truck will be going to HRT&T for said issue, and for a recurring issue with the 2 yd salter in the back of it.

Hatfield Brothers onsite to address '03 garbage truck not starting which turned out to be an oil pressure issue which the mechanic said it has an oil leak which he would need to bring to his shop to address. I will bring it there when I get the new truck as they will need quite a few days with the truck. The 2yd salter had a new drag chain installed, and the 4yd salter had a new drag chain/bearings/bearing shaft/ & mechanical tie-downs installed. We installed a new radiator on the '97 F-350 which only lasted one day. I took the truck to MJ Automotive and he said where the cab is not securely mounted to the frame due to rotted cab mounts it caused the radiator torque & split. Got new radiator free from AutoZone, and MJ Automotive installed with new flex bushings.

The spinner bearing on the 2yd salter blew apart so we had to install a new spinner bearing system during the January 26<sup>th</sup> storm. I had to bring in Sal Pidala Jr. to finish salting for the evening. We had an issue with the headlight on the 2019 plow, and we diagnosed it back to an electrical issue within the harness. We brought the plow up to HRT&T, and they said the whole harness was fried. The harness is covered under a two year warranty, and I sent the purchase information to the representative at HRT&T so he could a reimbursement for the parts & labor.

For the month of February we will be doing snow removal.

## RESOLUTION #03-2021 APPROVING 2020 FIREFIGHTER RECORDS LISTING

The following resolution was offered \_\_\_\_\_ for adoption and seconded by \_\_\_\_\_, to wit:

**WHEREAS**, Article 11-A of the New York State General Municipal Law requires that a list of volunteers who earned a year of Service Credit during 2020 be approved by the Fire Department and submitted to the Board of Trustees for review and approval; and

**WHEREAS**, once approved the list must be returned to the Fire Department so that it can be posted for at least 30 days as required by Article 11-A; therefore

**IT IS HEREBY RESOLVED** that the Village of Cold Spring Board of Trustees has reviewed and approved 2020 Firefighters Records listing.

On roll call vote:

- Trustee Heidi Bender voted:
- Trustee Marie Early voted:
- Trustee Kathleen E. Foley voted:
- Trustee Frances Murphy voted:
- Mayor Dave Merandy voted:

Resolution officially adopted on \_\_\_\_\_ by a vote of \_\_\_\_\_.

\_\_\_\_\_  
Jeff Vidakovich, Village Clerk-Treasurer
