

Description of changes to Chapter 0048:

Changes to conform to Code Chapter conventions, e.g., change “chapter” to “Chapter”; capitalize the first letter of any word or term in Definitions.

Title changed from “Dumpsters and Roll Off Containers” to “Dumpsters”.

Modified list of General References.

Grammar corrections.

Changed references from “Building Inspector” to “Code Enforcement Officer”.

Modified definitions to separate definitions for “Front Load Dumpster” and “Roll-Off Dumpster”.

Modifications made throughout Chapter to correctly refer to each.

Added requirement to have permanent shielding from view Front Load Dumpsters on private property.

Added requirement that all Dumpsters be covered

Added Front Load Dumpsters are prohibited on Village streets and Highways.

Identification of the need to submit a Dumpster permit and receive approval at least 48 hours before Dumpster is placed on street or highway. Code Enforcement Officer may permit a shorter approval period.

Reference to Master Fee Schedule.

Updated required insurance amounts.

Dumpster permit extended to 5 concurrent days from current 4 days.

Added enforcement at request of Village Clerk.
