

Description of changes to Chapter 0052 (Floodplain Management):

Changes to conform to Code Chapter conventions.

Grammar corrections.

Deleted "Manufactured Homes", "Manufactured Home Park or Subdivision", and "Mobile Homes" from Definitions and all other references to these in the Chapter; such homes are not permitted in the Village.

Updates/modified Definitions of "Building", "Structure"

52-16 renamed from "Standards for all structures" to "Specific Standards for all Structures".

52-19 renamed from "Manufactured homes and recreational vehicles" to "Recreational vehicles"

Changed "...other development..." to "...other construction development activities..."

FEMA map is defined as the most recent version of the map.

Clarified the appointment of the Local Administrator; added additional board reviews for proposed development.

"Building Inspector" changed to "Code Enforcement Officer".

Amended "'Flood Insurance Study, Putnam County, New York, All Jurisdictions" dated March 4, 2013 to include any subsequent revisions.

Included url for FEMA

Added requirement to conform to Chapter 57 – Reimbursement of Professional Consultants' Fees.

In 52-14, clarified the requirement for subdivision site plans.

Anchoring requirements extended to include anchoring of fuel tanks.

Deleted amount of premiums for Flood insurance from 52-21 G(1)
