Part I

Street Openings and Driveways

[Adopted 8-10-71 as L.L. No. 3-1971]

ARTICLE I

Street Openings

§ 108-1. General regulations.

- A. General regulations. No opening or excavation by cutting, digging or otherwise, subsequently herein referred to as an "operation," shall be made, commenced or carried on in or under any street, highway, sidewalk, sidewalk area or public place in the Village of Cold Spring for any purpose whatsoever, except as hereinafter provided in Article II of Part 1 of this chapter, until a written permit therefor has been duly issued as herein provided and except in accordance with the procedures set forth in § 108-2 hereof and in compliance with §§108-3 and 108-4 hereof.

- (1) The provisions of this Article shall be applicable to any and all operations being worked at the time this Article shall become

COLD SPRING CODE

§ 108-1

§ 108-1

- (2) effective. No operation shall be extended in area after the effective date of this Article without first securing a permit therefor in accordance with the provisions of this Article.
 - (3) Public utility companies may, in lieu of the deposit hereinafter mentioned, deposit with the Village Board its bond or a surety company bond approved as to form, manner of execution and sufficiency by the Village Board of the Village of Cold Spring, which bond shall be retained as security for the faithful performance by the applicant of all the terms, agreements, covenants and conditions of the permit on the applicant's part to be done or performed, and which said bond shall be in an amount to be determined by the Superintendent of Highways, but in no case shall the face amount of the bond be less than five thousand dollars (\$5,000).
 - (4) Any city, village, town, public improvement district or other municipality may, in lieu of making the cash deposit hereinafter mentioned, file with the Superintendent of Highways a certified copy of a resolution duly adopted by the governing board of such municipality, which said resolution shall guarantee faithful performance by said municipality of all the terms, agreements, covenants and conditions as set forth in the permit. Said resolution shall be effective for the remainder of the calendar year in which it is adopted.
 - (5) Emergency openings. If it becomes necessary, in case of an emergency or any unforeseen happening, to enter upon a Village street for the purpose of making emergency repairs to any sewer, water pipe, conduit or other underground or overhead structure, any person, firm, corporation, public utility or municipal subdivision may do so forthwith, provided that within twenty-four (24) hours of the time of making such opening (Sundays or holidays not included), proper application for a permit is made therefor.
- B. Prohibited operations. In any residence district, no operation authorized under this Article shall be permitted on Sunday nor before 8:00 a.m. or after 5:00 p.m. on other days. In any business or industrial district, no operation authorized under this Article shall be conducted on Sunday, except where otherwise permitted by law. The Superintendent of Highways, in his discretion, may vary or modify the application of this provision as occasion and/or necessity may demand.

§ 108-2

§ 108-2

§ 108-2. Application procedure.

- A. Application for a permit under this Article shall be made to the Superintendent of Highways in writing, in duplicate, for each such operation, and shall contain the following information:
- (1) Full name and address of the applicant.
 - (2) Full name and address of the owner or owners of the property in front of which the operation is to be performed.
 - (3) The location by street address, if any, of the property in front of which the operation is to be performed, and the Tax Map designation of the same.
 - (4) Statement of the proposed operation and size thereof and purpose thereof.
 - (5) The date or dates when the proposed operation is to be commenced and the date or dates when the operation is to be completed.
 - (6) The type of pavement or surface to be disturbed.
 - (7) A sketch of the proposed operation, with dimensions thereof.
 - (8) The estimated maximum quantity to be excavated and/or removed, and the estimated part thereof that will be used for regrading or filling.
 - (9) The rehabilitation proposed.
 - (10) The estimated cost of the entire proposed operation.
 - (11) The location, if any, of any tiles or drainage system, water mains or other public utility conduits, etc., which may be within the area of the proposed operation shall be shown on the required sketch.
 - (12) Any additional information which may be reasonably required by the Superintendent of Highways.

COLD SPRING CODE

§ 108-2

§ 108-3

- (13) A signed statement by the applicant that the said applicant agrees to perform the proposed operation for which the permit may be granted, in full and strict compliance and in accordance with the conditions of the permit, if issued, and any and all provisions of the Village Law and other applicable statutes, and local laws and ordinances of the Village of Cold Spring and the rules and regulations of the Highway Department of the Village of Cold Spring.

A sample form of the application is appended as part of Part I of this chapter and may be changed or amended from time to time by resolution of the Village Board of Trustees.

- B. Upon receipt of the application, as herein provided for in Subsection A hereof, the Superintendent of Highways shall act thereon by issuing or refusing to issue a permit. No permit shall be issued by him except where there is compliance with the provisions of this Article and all other laws and ordinances, rules and regulations of the Village of Cold Spring and its Highway Department. Such a permit, when issued, shall be effective for such period of time, not to exceed thirty (30) consecutive days, as specified thereon by the Superintendent of Highways. Such specified period of time may be extended for the completion of the operation, if so requested in writing by the permittee prior to the expiration date thereof, for such additional period or periods of time as authorized by the said Superintendent of Highways.

§ 108-3. Fees and deposits.

- A. No permit for an operation shall be issued by the Superintendent of Highways until the applicant therefor shall have first paid to the Superintendent of Highways, in cash or by check payable to the order of the Village of Cold Spring:
 - (1) A fee of seventy-five dollars (\$75) to cover the cost of issuing the permit and the inspection of the operation done in connection therewith. **[Amended 7-17-01 by L.L. 2001-09]**

§ 108-3

§ 108-3

- (2) A deposit in an amount to be determined by the Superintendent of Highways, computed at the rate of one hundred dollars (\$100) per square yard of said surface to be disturbed, and if and when machinery is used in connection with an operation and there is the likelihood of damage or injury to areas other than the specific location of the operation, a deposit of an additional amount may be required, said additional amount to be determined by the Superintendent of Highways, computed at the rate of one hundred dollars (\$100) per square yard of the additional area affected. The first one thousand dollars (\$1,000) shall be cash. Excess may be surety company bond approved by the Village Board. Said deposit shall be retained by the Village for the duration of the period of maintenance, as hereinbelow defined:
 - (a) The period of maintenance shall be considered as a period of 12 months after the date of final completion, as determined by the Superintendent of Highways, of the operation to be done pursuant to the terms of the permit. The permittee shall be responsible for the entire operation and shall keep every portion of the same in good order and repair for the entire period of maintenance. **[Amended 7-17-01 by L.L. 2001-09]**
 - (3) Bond in a sum of not less than twenty thousand dollars (\$20,000.00) with one (1) or more sureties approved by the board, to indemnify and save harmless the Village of Cold Spring for and from all losses, costs and damages which may result from the work being done carelessly or imperfectly. **[Amended 7-17-01 by L.L. 2001-09]**
- B. Upon the failure or default by the permittee of or in any of the terms, agreements, covenants and conditions of the permit on the permittees part to be done, to be performed or to be completed, said deposit may be used by the Village for any expense incurred by the Village by reason of such failure or default on the part of the permittee, and after the expense caused by such failure or default, as determined and certified by the Superintendent of Highways, has been paid and deducted from the amount of the deposit, any balance left shall be refunded to the permittee.
- C. The amounts of the fees and deposits required in this section may be changed or amended from time to time by resolution of the Village Board of Trustees.

§ 108-4

COLD SPRING CODE

§ 108-4. Insurance requirement.

- A. Amount. No permit for an operation under this Article shall be issued by the Superintendent of Highways until the applicant therefor shall have first placed on file with the said Superintendent of Highways, without cost to the Village, satisfactory evidence of insurance coverage, including public liability insurance in an amount of not less than one hundred thousand dollars (\$100,000) for any one (1) person and not less than three hundred thousand dollars (\$300,000) for any one (1) accident, and property damage insurance in an amount of not less than fifty thousand dollars (\$50,000) aggregate, and satisfactory evidence that said insurance has been approved as to form correctness and adequacy by the Village Attorney of the Village, to ensure the Village against any loss, injury or damage arising out of the granting of the permit or from any negligence of the said applicant, his servants, agents or employees in connection with the said operation or with any and all work related thereto. The amounts of coverage required may be increased by resolution of the Village Board of Trustees. The form of certificate of insurance required by the New York State Department of Transportation may be used as a guide for general requirements.
- B. Duration. Such insurance hereinabove referred to shall remain in force throughout the effective period of the permit and/or any authorized extension or extensions thereof and shall carry an endorsement to the effect that the insurance company will give at least ten (10) days prior written notice to the Village of Cold Spring of any modification or cancellation of any such insurance, and shall contain a clause to the effect that termination of said insurance shall be without prejudice to the right of the Village of Cold Spring to make claim or claims thereafter for any loss or damage sustained as a result of any act or acts committed or omitted during the term of said insurance.

§ 108-5

§ 108-5

§ 108-5. Protection of existing structures and traffic.

- A. Existing structures. No work shall be commenced in connection with an operation for which a permit has been granted under the provisions of this Article until the permittee shall have given written notice of the issuance of such a permit, at least twenty-four (24) hours prior to the commencement of such work, to the owner or lessee of any pipes, conduits or other structures lying upon, over or under the surface of the area wherein the operation is to be performed pursuant to the permit issued hereunder, or to the person, firm or corporation having the custody, control, care or maintenance of said pipes, conduits or other structures, and said permittee shall file with the Superintendent of Highways proof of the service of said written notice herein referred to. The permittee shall at all times during the performance of the work on said operation, at his own expense, preserve, support, maintain in operation and protect and safeguard from injury or damage such pipes, conduits or other structures and in case of injury or damage, shall restore the same, at his own cost and expense, to the same condition as they were prior to the commencement of the work on the said operation, and in the event of the failure of the permittee to comply with the provisions of this section, such injuries and damages may be corrected and repaired by the owner thereof, his agents or employees, and the cost thereof and all damages sustained shall be paid by the permittee.
- B. Traffic. Unless otherwise authorized by the Superintendent of Highways, traffic shall be maintained at all times during the progress of the operation being performed under the permit, and the permittee shall have due regard for the safety of all traffic and the public and shall:
- (1) Erect and maintain suitable barricades, fences and/or guardrails around the area of operation during the work on said operation, and arrange the same in such manner as to cause a minimum of inconvenience, hazard and delay to any and all traffic.
 - (2) Suitably place, install and maintain adequate warning flags or signs and lighted amber lamps or flares. **[Amended 7- 17- 01 by L.L. 2001-09]**
 - (3) Provide a watchman, if deemed necessary by the Superintendent of Highways, and, if so ordered by the Superintendent of Highways, in accordance with his directions and instructions.

COLD SPRING CODE

§ 108-5

§ 108-7

- (4) Designate and furnish competent persons to direct and expedite traffic, by means of lights or flags, when necessary, to minimize inconvenience, hazard and delay to any and all traffic.
- (5) Arrange and conduct the work in connection with said operation so as to make possible the removal completely of any obstructions to any and all traffic on Saturdays, Sundays and holidays, if so required by the Superintendent of Highways.

ARTICLE II Driveways

§ 108-6. General regulations.

No driveway entrances and exits and no alteration, change, relocation or reconstruction of existing driveway entrances and exits, subsequently herein referred to as an "operation," shall be constructed by owners and occupants of property abutting on public or private highways or streets for any purpose whatsoever until a written permit therefor has been duly issued as herein provided and in accordance with the procedures set forth in §§ 108-7 and 108-8 hereof.

§ 108-7. Application procedure.

- A. Application for a permit under this Article shall be made to the Building Inspector of the Village of Cold Spring in writing, in duplicate, for each such operation, and shall contain the following information:
 - (1) Full name and address of the applicant.
 - (2) Full name and address of the owner or owners of the property in front of which the operation is to be performed.
 - (3) Full name and address of the owner or owners of the property for whom the operation is to be performed.
 - (4) The location by street address, if any, of the property in front of which the operation is to be performed, and the Tax Map designation of the same.

- (5) Statement of the proposed operation and size thereof and purpose thereof.
- (6) The date or dates when the proposed operation is to be commenced and the date or dates when the operation is to be completed.
- (7) A sketch of the proposed operation, including a profile from the crown of the road to the property line, with dimensions thereof.
- (8) The location, if any, of any tiles or drainage system, water mains or other public utility conduits, etc., which may be within the area of the proposed operation shall be shown on the required sketch.
- (9) Any additional information which may be reasonably required by the Superintendent of Highways.
- (10) A signed statement by the applicant that the said applicant agrees to perform the proposed operation for which the permit may be granted, in full and strict compliance and in accordance with the conditions of the permit, if issued, and any and all provisions of the Village Law and other applicable statutes, and the ordinances of the Village of Cold Spring and the rules and regulations of the Highway Department of the Village of Cold Spring.
- (11) The proposed location of the entry of said driveway onto the street or highway.

A sample form of the application is appended as part of Part I of this chapter and may be changed or amended from time to time by resolution of the Village Board of Trustees.

- B. Upon receipt of the application as herein provided for in Subsection A hereof, the Building Inspector shall refer the same to the Superintendent of Highways, who shall act thereon by issuing or refusing to issue a permit. No permit shall be issued by him except where there is compliance with the provisions of this Article and all other laws and ordinances and rules and regulations of the Highway Department of the Village of Cold Spring. Such a permit, when issued, shall be effective for such period of time, not to exceed one hundred twenty (120) consecutive calendar days, as specified thereon by the Superintendent of Highways. Such specified period of time may be extended for the completion of the operation, if so requested in writing by the permittee prior to the expiration date thereof, for such additional period or periods of time as authorized by the said Superintendent of Highways.

COLD SPRING CODE

§ 108-7

§ 108-8

- C. Said permit, when issued, shall contain the following conditions to be complied with by the permittee:
- (1) The proposed driveway at the point of entrance on the highway or street shall have the optimum of sight distances, both vertical and horizontal.
 - (2) The grade, width and drainage of said proposed driveway shall minimize any possible damage or injury to the highway or street and shall be such as to provide the maximum safety for all traffic on the highway or street in the area of the entrance of the said proposed driveway.
 - (3) Any additional requirements which may be imposed by the Superintendent of Highways for the preservation of highways, streets and the Village system for drainage of surface waters, and for minimizing hazards and dangers to the traffic.
- D. Upon notification by the permittee of the completion of the proposed driveway, the Superintendent of Highways shall inspect said driveway to determine that its completion is in accordance with the permit. When the Superintendent of Highways is satisfied that the conditions of such permit have been met, he shall issue a certificate of compliance. There shall be no use of such driveway for any purpose other than the construction until such certificate of compliance has been issued. No Certificate of Occupancy shall be issued by the Building Inspector of the Village of Cold Spring if a permit for driveway construction is required until such certificate of compliance has also been issued.

§ 108-8. Fees and deposits.

- A. No permit for an operation shall be issued by the Superintendent of Highways until the applicant therefor shall have first paid to the Superintendent of Highways, in cash or by check payable to the order of the Village of Cold Spring:
- (1) A fee of seventy-five dollars (\$75) to cover the cost of issuing the permit and the supervision and inspection of the work done in connection with said operation. **[Amended 7-17-01 by L.L. 2001-09]**

- (2) A deposit in an amount to be determined by the Superintendent of Highways, computed at the rate of one hundred dollars (\$100) per square yard of the surface of any street, highway, sidewalk, sidewalk area or public place, including drainage ditches, gutters, culverts, pipes, curbs or curbing, which may be disturbed, injured or damaged in connection with an operation hereunder, and if and when machinery is used in connection with an operation and there is a likelihood of damage or injury to areas other than the specific location of the operation, a deposit of an additional amount may be required, said additional amount to be determined by the Superintendent of Highways, computed at the rate of ten dollars (\$10) per square yard of the area affected. When entrance on a private road is involved, proof of easement is required, and authorization from the fee owner of said road to the Village to have any default corrected is also required. **[Amended 7- 17- 01 by L.L. 2001-09]**
 - (3) Bond in a sum of not less than twenty thousand dollars (\$20,000.00) with one (1) or more sureties approved by the Board, to indemnify and save harmless the Village of Cold Spring for and from all losses, costs and damages which may result from the work being done carelessly or imperfectly. **[Amended 7-17-01 by L.L. 2001-09]**
- B. The amounts of the fees and deposits required in this section may be changed or amended from time to time by resolution of the Village Board of Trustees.
 - C. Said deposit shall be retained by the Village until a certificate of compliance shall have been issued by the Superintendent of Highways as hereinbefore provided in § 108-7D.
 - D. Upon the failure or default by the permittee of or in any of the terms, agreements, covenants and conditions of the permit on the permittees part to be done, to be performed or to be completed, said deposit may be used by the Village for any expense incurred by the Village by reason of such failure or default on the part of the permittee, and any balance left after the expense caused by such failure or default, as determined and certified by the Superintendent of Highways, has been paid and deducted from the amount of the deposit, shall be refunded to the permittee.

ARTICLE III
Protection of Highways

§ 108-9. Prohibited deposits.

- A. The deposit of any dirt, filth, waste or rubbish in any street, highway, sidewalk, sidewalk area or public place, or encumbering thereof by any encroachment of buildings, structures, excavation or otherwise, or any act which in any manner damages or injures a Village street or interferes with or obstructs in any manner the drainage and other uses of the highway for municipal purposes and for use by the public and traffic thereon, is hereby prohibited.
- B. **[Added 2-10-04]** Plowing, blowing or pushing of snow onto streets or highways is prohibited.

ARTICLE IV
Penalties

§ 108-10. Penalties for offenses.

- A. Notwithstanding any other provisions of Part 1 of this chapter, any person who violates or causes or participates in any violation of the provisions of Article I, Article II or Article III shall, upon conviction thereof, be guilty of a violation and be subject to a fine not exceeding two hundred fifty dollars (\$250) or to imprisonment for not more than fifteen (15) days, or both such fine and imprisonment.
- B. Whenever any person shall have been notified in writing by the Superintendent of Highways that he is violating the provisions of Article I, Article II or Article III or of any permit or extension thereof issued hereunder, or is served with a summons or warrant accusing thereof, each day that he shall continue such violation after such notification or service shall constitute a separate offense, punishable by a like fine or penalty.
- C. Notwithstanding the penalties herein provided, the Village Board may maintain an action or proceeding in the name of the Village in a court of competent jurisdiction to compel compliance with, or to restrain by injunction the violation of, any provision of Part I of this chapter.
- D. The foregoing provisions for the enforcement of the regulations in Part I of this chapter are not exclusive but are in addition to any and all other laws applicable thereto.

Street Specifications
[Adopted 3-10-64]

ARTICLE VI
Minimum Specifications

§ 108-14. Legislative intent.

This Article is enacted pursuant to §§ 90, 95 and 89¹ and Article 6 of the Village Law of the State of New York and pursuant to the General Village Law of the State of New York, and sets forth the minimum specifications for roads to be accepted for maintenance by the Village of Cold Spring.

§ 108-15. Requisites for street acceptance.

No street, road or highway shall be accepted by the Village of Cold Spring for a public street to be held and maintained by the Village of Cold Spring until the following minimum specifications have been provided and completed:

- A. Water. A six-inch water main shall be installed the entire length of street with necessary fire hydrants and connections as prescribed by the Board of Fire Underwriters. Such installation shall be done in a manner satisfactory to the Village Engineer.
- B. Electricity. Streetlights and electric power service shall be installed in accordance with the recommendation of the Central Hudson Gas and Electric Corp.
- C. Pavement. The street shall be fifty (50') feet in width with the paved portion at least thirty (30') feet wide, located symmetrically with respect to the center line of the right-way. The paved portion of the roadway shall consist of a base course having a minimum depth of twelve (12") inches of run-of-bank gravel with a bituminous penetration macadam surface course having a finished thickness of not less than two and one-half (2 ½") inches. The work shall be done in accordance with the direction of the Village Engineer.

¹Editor's Note: For current sections, see Village Law §§ 4-412 and 20-2002.

STREETS AND SIDEWALKS

§ 108-15

§ 108-15

- D. Drainage. Where natural watercourses cross the highway and at such other points as may be directed, reinforced concrete pipe of approved size shall be installed. (Steel or cast-iron pipe may be substituted if specifically approved.) The pipe shall be laid to a uniform grade, and all joints shall be sealed. Where the width of right-of-way does not permit extension of culverts to clear embankments, concrete or masonry in mortar headwalls shall be constructed as directed. Catch basins shall be installed where directed.
- E. Embankment. Earth fills in excess of two (2') feet in depth under the roadway shall be compacted in six-inch layers with approved compaction equipment.
- F. Shoulders. Shoulders shall be of selected materials, not less than three (3') feet in width and having a slope of one (1") inch per foot.
- G. Gutters. Gutters shall be at least three (3') feet in width and not less than six (6") inches nor more than eight (8") inches in depth. On grades in excess of four percent (4%), they shall be paved with concrete or grouted stone, bituminous macadam or bituminous concrete.
- H. Slopes. No excavation (except in rock) or embankment shall have a slope of less than one to one and one-half (1:1 ½") inches per foot. Unstable materials shall have slopes of not less than one (1") inch in two (2') feet.
- I. Grades. In general, no street grade shall exceed seven percent (7%) nor be less than one percent (1%). Exceptions shall be specifically permitted where local conditions warrant. The profile of the road shall show a smooth and flowing appearance, and no sharp-transition curves shall be permitted.
- J. Protection. Guard fence or guard posts shall be installed as directed on all shoulders where the embankment exceeds three (3') feet in height.
- K. Inspection. The Village Engineer shall have access to all parts of the work while under construction at all times. No portion of the work which will not be exposed upon final completion shall be covered until reasonable opportunity for inspection, after notice, has been given.

COLD SPRING CODE

§ 108-15

§ 108-20

- L. Sewer. An eight-inch sewer line with necessary, risers shall be installed, with manholes built not more than two hundred (200') feet apart. Such installation shall be done in a manner satisfactory to the Village Engineer. Suitable connections to existing sewer mains or provision for connections to future sewer mains in adjoining Village streets shall be made to the satisfaction of Village Board.

§ 108-16. Approval of Engineer.

The Village Engineer referred to in this Article shall include any specific engineer appointed by the Board of Trustees of the Village of Cold Spring to investigate compliance with the aforesaid specifications for any street, road or highway being offered to the Village of Cold Spring.

§ 108-17. Provisions not exclusive.

The contents of this Article are not exclusive, but are in addition to such other laws applicable to the matter contained herein. The right to amend, cancel or change the whole or any part of this Article is hereby reserved.

Part 3 Miscellaneous Regulations [Adopted 8-11-31]

ARTICLE VII Care of Streets and Sidewalks; Conduct

§ 108-18. Injuring pavement.

No person or persons shall throw, drop or project any heavy object upon the sidewalks or pavements of the Village so as to injure the same.

§ 108-19. Cellarway and stairway projections.

The owner or owners of buildings having a stairway or cellarway projecting into any street in said Village shall guard the same at all times with good and sufficient railings.

§ 108-20. Street encroachments.

§ 108-21. Cleaning of Sidewalks; snow and ice removal. [Amended 1-05-2016 by L.L. 2016-01]

- A. General. The owner or owners and occupant or occupants of each and every building and lot of ground in the Village shall at all times keep the sidewalk in front of their respective houses, buildings and lots free from weeds and rubbish of every kind.
- B. Snow and ice removal. The owner or owners and occupant or occupants of each and every building and lot of ground in the Village shall at all times during the season of frost keep at least a three-foot width of sidewalk in front of their respective houses, buildings and lots free of snow and ice.
- C. Time limit for snow and ice removal. Snow and ice shall be removed within 18 hours after the end of a snowfall. Sidewalks in front of commercial establishments and commercial parking lots shall be kept free of snow and ice at all times between the hours of 10 a.m. and 5:00 p.m.
- D. Use of sand or other material. In the event snow or ice on any sidewalk cannot be removed, it shall, within the time frame specified in §108-21(C), be covered with sand or other materials not detrimental to the concrete such as calcium chloride, in such a manner as will enable persons to walk thereon with safety. Rock salt or salt-based materials are strongly discouraged. As soon as practical thereafter, the sidewalk shall be completely cleared of snow, ice and other materials strewn thereon.
- E. Snow, ice and water falling from buildings. The owner or owners and occupant or occupants of buildings adjacent to public sidewalks and walkways shall take reasonably adequate measures to protect the public from the falling snow, ice or water from such buildings upon those sidewalks.
- F. Deposit on Streets. No individual or entity of any kind shall deposit, throw, place or strew, nor shall any individual or entity cause to be deposited, thrown, placed or strewn, any snow or ice upon any street, avenue or roadway within the Village of Cold Spring.
- G. Penalties for offenses. Notwithstanding any provision for penalties for other violations within this Article, any person, firm, corporation or property owner who or which shall violate any provision of this local law shall, upon conviction thereof, be subject to a fine of not less than twenty-five dollars (\$25) nor more than two-hundred and fifty dollars (\$250) for each offense.
